

Explore Life in 5D Grants

The Explore Life in 5D committee chooses to empower, honor, appreciate and acknowledge those individuals and organizations contributing to the development of fifth dimensional living by providing grants to support their evolutionary services, products, businesses, and creative ventures.

Our Mission Statement is as follows: To promote the recognition of fifth dimensional principles in order to expose the general public to the benefits of fifth dimensional living.

To understand how fifth dimensional living empowers peaceful collaboration to promote participation in fifth dimensional communities.

To utilize the experience of fifth dimensional communities to engage the general public in embracing fifth dimensional living as a new way of life.

The Fifth Dimensional Principles Include:

Creative Collaboration

Unconditional Loving

Gender Unity

Graceful Abundance

Commitment to Service

Capacity for Joy

I am happy to announce that the Explore Life in 5D committee will be awarding a \$500.00 grant on December 6th 2019. We welcome you to apply for the support we can offer to the fulfillment of your mission. We are grateful for your participation in developing our new civilization of peace and look forward to receiving your proposal.
